

REMARKS

The Examiner has restricted this application to one of the following inventions under 35 U.S.C. § 121:

- I. Claims 1-4, drawn to a method of collecting oversprayed materials in a spray booth; and
- II. Claims 5-10, drawn to a system for collecting oversprayed materials.

The Applicant provisionally elects with traverse, those claims to Group II - Claims 5-10, drawn to a method of collecting oversprayed materials in a spray booth.

This is a request under the provision of 37 CFR § 1.136(a) to extend the period for filing a response in the above-identified application for five months from October 23, 2004 to March 23, 2005. Applicant is a small entity; therefore, please charge Deposit Account number 26-0084 in the amount of \$1,080.00 for five months to cover the cost of the extension. Any deficiency or overpayment should be charged or credited to Deposit Account 26-0084. No other fees are believed to be due in connection with this amendment; however, consider this a request for any extension inadvertently omitted, and charge any additional fees to Deposit Account No. 26-0084.

Reconsideration and allowance is respectfully requested.

Respectfully submitted,

BART A. FISHER, Reg. No. 55,181
